

CERTIFICATE OF ATTENDANCE

Joan Ribot Oliver

has successfully participated in the Blended Intensive Programme:

“Discovering Research in a European Context”

hosted by **Université Polytechnique Hauts-de-France** (France) in Valenciennes and equivalent to **3 ECTS** credits:

Online Phase: 9-13 March, 2026

Physical Mobility: 16-20 March, 2026

This BIP enables students to gain foundational research methodology skills, explore the societal impact of research, discover international and non-academic career opportunities, improve science communication in English, demystify research careers in a European context, and build professional networks for future collaboration.
